

People's Conference: A Better World Is Possible!

The Trans-Pacific Partnership (TPP) would create a super-treaty which would jeopardize the sovereignty of the nations involved by giving their power to large corporations like **Wal-Mart, Monsanto, Goldman Sachs, Pfizer, Halliburton, Philip Morris, GE, GM, and Apple.**

Join our community discussions about TPP

**July 2, 3, 5, 6, 7
Visit stoptpp.org
for times, locations,
and speakers**

Join our international, national, and local panels of guests to discuss what is wrong with the TPP and to learn why and how, instead, we can build sustainable local communities now.

- **Workers Rights, Outsourcing, WalMart & Gentrification**
- **Intellectual Property, GMOs, Healthcare**
- **Women and the TPP**
- **Geopolitics and Empire**
- **Indigenous Rights: Decolonization or the TPP**
- **Local Economies and Sustainability**
- **Biodiversity and Global Climate Change**
- **Food Freedom or NAFTA on Steroids**
- **Fukushima Anti-nuke Activist in San Diego**
