

MARCH WITH US AGAINST TPP!

Pots and Pans March!

The Trans-Pacific Partnership (TPP) would create a super-treaty which would jeopardize the sovereignty of the 11 nations involved by giving their power to large corporations like **Wal-Mart, Monsanto, Goldman Sachs, Pfizer, Halliburton, Philip Morris, GE, GM, and Apple**. And they're meeting in San Diego the 2nd through 10th of July!

- TPP will **offshore millions of good-paying jobs**
- TPP will **decrease access to affordable medications**
- TPP will **import goods that do not meet US safe standards.**
- TPP will institute **SOPA, PIPA, and CISPA-like regulations**
- TPP will **roll back Wall Street regulations allowing risky financial services**

**Saturday,
July 7, 11am**

**March Leaves
Civic Center at 11am**

*Bring Your Pot and Pans and Spoons to march
In solidarity with our sisters and brothers
standing against injustices across the world!*
